CONSTRUCTION SCHEDULE

June 1-2, 7am-3pm weekdays: Mobilization (delivery of materials, fencing, portable restrooms)

June 3-10, 7am-5pm weekdays: Demolition (saw cutting and jackhammering). ***We strongly recommend avoiding running any sensitive experiments during working hours on these dates, due to high vibration and noise.***

Repair work will be suspended June 11-12 for Commencement.

June 15 - Sept 30, 7am-3pm weekdays: Construction
We advise that experiments sensitive to noise or vibrations be conducted after 3pm on these dates.
